

NORTH LONDONDERRY PTA

Show your support for our school and join today!

The most important reason to subscribe to this PTA Membership is that it **benefits the children by reducing the costs** for field trips, guest speakers, playground/educational equipment, field day/fun day, social events, etc.

It is **YOUR CHOICE** to attend meetings to vote on how this money gets allocated or not. (Please note, we have a **blast** planning these events so you would have a great time if you attended any meetings!!)

Please help us reduce these costs for our children by subscribing to the PTA. Consider the subscription as a donation to the school.

The best way to help is to subscribe to our dual membership for \$16. This will allow two adults to vote. A single membership is \$10.

Please join our [NORTH SCHOOL PTA FACEBOOK PAGE](#) to stay up to date! Any questions please contact Joe Stelmach:
